DEER LODGE

MT 59722

Folder: D-071945
Corp type: 51
Date last report: 00/00/00
Fees & penalty: \$30.00

Dear Corporate Official:

Montana law requires every corporation to file an annual report with accompanying fees every year. Our records show that your corporation has failed to meet this obligation. The above corporation is therefore in default and is subject to being dissolved involuntarily.

This is your notice that I am today initiating involuntary dissolution proceedings against your corporation. This is the standard action the law requires us to take with corporations which have fallen behind in their reports and fees.

If your records show that we are in error, or if you would like to suspend these proceedings, then please contact us within 90 days.

All that is needed for you to get back into good standing is to submit a current annual report and pay the amount of fees and penalty listed above. To assist you in this, you will find an annual report form enclosed.

Remember, you have only 90 days to respond. If we do not receive your report and past due fee by December 1, 1992, we will have no choice but to order your corporation dissolved and it will no longer exist.

If you have any questions about this notice, or if there's any other way we can assist you, please don't hesitate to contact any of us in the Business Services Bureau. You'll find our phone number listed below.

Sincerely,

Louise Ross
